Most gracious God of the universe, Our thanks to You for sending Your son Jesus into this world to save us from our sins. He went to the cross and did just that. You then raised Him up out of the grave to win a great victory over sin and death for all of us. Forgive us, O God, when we sometimes give in to the powers of evil and go our own way. Help us to stand up to the tests we often face in life, leaning on Your everlasting arms for help. May we turn to You and know that You will deliver us from evil, for we pray in Your name, Amen.
